

CONVICTION

Eddieb.net

April 2013

You can't imagine how it feels to be on tour with my son! The overwhelming response has been so incredible. Just seeing my son and me together has brought so many others hope for their sons, daughters, and loved ones.

Right now we are in Louisiana and the out pouring of God is absolutely incredible. The message that God has inspired to be shared is called, "Who Are You?" *You have to know who you are, so you can be affective where you are.* This message has really brought people to the knowledge that they have a voice. So please continue to pray that this message will encourage believers to be that *voice in the wilderness.*

We are now heading for the third part of the tour. On April 8th through May 20th, Eddie will be ministering in Texas. This will be an exciting time of ministry as we go into new churches, prisons and events. To find out more about where we are ministering, please go to our website.

Eddie's song, "Not Alone," is doing very well. It has been picked up by a lot of radio stations here in the United States and also in Europe. We also have been given another opportunity to rerelease this song. If we rerelease this song it has the potential of reaching 98,000 people. Please be praying with us about this decision.

Westar Media Group put out an article about Conviction in their newsletter called "Indie Amped." If you would like to read it you can go to:

We would like to say a special "thank you" to Dave Koch, who not only did an outstanding publishing job, but has really been a *huge blessing* in helping others fall in love with Eddie's music and Conviction for Christ Ministries.

The Northwest Coast missionaries started ministering at Centinella, California State Prison on February 15th. Richard and his crew are doing such a great job. They now are ministering in 5 states: Idaho, Nevada, Washington, Oregon, and now California.

As most of you know, on March 1st our sweet, North Texas missionary, Tiffany Georgous, was called home by her King and is now living in God's presence. James and their 6 children send a big "thank you" to all their Conviction Family that has supported them through this very difficult time. There will be a **special benefit memorial bike run** to help James and the family recover from the huge medical and funeral expenses. If you can, please come out and join in the run and the 50/50 raffle auction. If you would like to see Eddie in concert he will be performing at 4 p.m.
