

CONVICTION

Eddieb.net

Dear Partners,

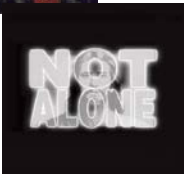

January 2013

The year of 2012 has come to a close, and we want to begin the new year of 2013, by thanking everyone who gave to the call of Christ in 2012. *Your faithfulness has not gone unnoticed.* We thank you from **Conviction for Christ Ministry** and for all of those who cannot say “thank you,” for themselves, those who are still behind prison walls.

This next year’s vision is to add another missionary to our team and to get the gospel into another state.

We are very excited about the new CDs that will be released in February. “**Out of the Ashes**”, is a collaboration between Eddie and his son Aaron. The second CD is “**Not Alone**”, and is a collaboration between Eddie and Donn Hilliburton. As always Donn always amazes us by his incredible gift to write music. We know that you are going to be blessed through these upcoming CDs.

CD Release Concert: February 24th * Legacy Church in Albuquerque * 6 pm

Thanks to everyone who helped get the song “*Come on Home*” into the 2012 finals with Indie Heaven. The song has been sent to a panel of distinguished judges and the winner will be announced in the middle of February.

This year we were thrilled to have ordained:

- Larry Woods. At the beginning of this year he was not ministering in any prisons. He is now currently giving weekly Bible studies in two prisons. He has also received notification that he is being given a state wide clearance for the state of Georgia.
- James and Tiffany Georgous. This married couple have both proven to be go getters. Even though they have had several attacks by the enemy, which would have stopped most people, they have managed to open doors of ministries in 3 prisons, a homeless ministry, and several churches.
- Dewey Moede. He was ordained as a Special Outreach Minister. He has moved from working in radio to television. He has also been actively ministering to patients in hospitals and has been preaching the gospel in many churches.

*In February we will be having our annual board meeting and will be discussing the goals for 2013. Please be praying that the leadership of this ministry will once again have a special anointing from God, to give clear and firm direction to the next steps of this ministry. Please also continue to remember us, as we lead this ministry to fulfill the vision God has given us, which is to **reach the lost with the gospel, in every prison in the United States.***

May God truly bless you for all of your prayers and financial support of this ministry. Together, we are accomplishing so much for the Kingdom of God!
