

CONVICTION

November 2014

Eddieb.net

Dear Partners,

It has been an incredible year! We began traveling in March and will finally be heading home on November 1st. Thank you so much for your prayers and your support while we have been on the road!

We would like to share a special blessing with you that happened to Eddie at a biker rally. Eddie was telling people that we need to come back to the altar and seek God's face, but nobody was coming up to the altar. Suddenly, as he was speaking, a dove landed on his shoulder and remained there for several minutes. After that, *everybody* came to the altar! You can watch it on YouTube by searching "Eddie B and the dove," or by the link http://youtu.be/Ze_vsk2COHA God is truly amazing!

The song, "Altar of Exchange," has been on the charts for 12 weeks now. The song "Water It Down," debuted at number 15 and has now been on the charts for the last two weeks.

Update on the Discipleship Center. We had been able to set aside half of the money for the building and someone has generously donated the other half, so we are now ready to begin the first phase of construction on the Discipleship Center building. Thank you for your prayers and your support on this project and please be praying for favor with Zoning.

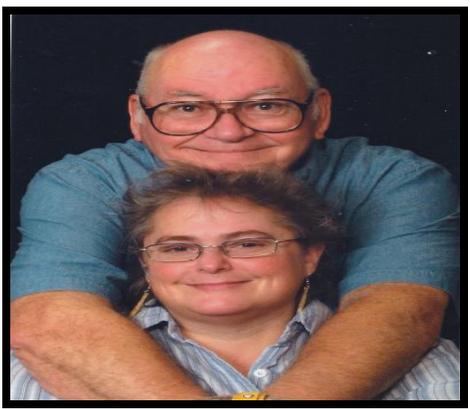

This month we would like to recognize *Lee and Susan Card* for their contribution to this ministry. Throughout the many years we have come to Texas, Susan has faithfully and freely given her time and worked at our products table. Because she has been such a blessing to us, we would like to support her as well. She has a candle company called "Royal Essence Candles," and she carries some of the best candle fragrances we have ever experienced. If you are purchasing Christmas gifts or want something special for yourself, please consider "Royal Essence Candles," and helping to support her for being such a blessing to us. We promise that you will not be disappointed. *Thank you again Susan and Lee, for all your hard work and dedication, and for blessing this ministry. May God truly bless you 100 fold! We are celebrating Svann Langford's Homecoming on October 8, 2014.

Svann was 46 years old. She had been suffering from digestion issues. We first meet Svann and her husband Charlie on November 15, 2002. Svann was ministering with a ministry called, "Aglow Ministries," at Pocatello women's prison. We had been ministering to some inmates housed in Gallup, New Mexico, who were then sent back to Idaho. After a year of trying to see them, Svann opened up her time slot for us. In 2009 started to track our ministry numbers. Because of Svann's obedience to God, as of today Conviction has seen 31,880 people in the Northwest coast. We have had 749 first time salvations and 2,052 rededications. Svann was a wonderful singer, a song writer, and she wrote a book called, "They Say That I Am Broken," to help people deal with issues of substance-abuse, cutting, and self-injury. One of our great memories is seeing her in her minivan that was covered with happy faces. Because of Svann's life so many people are, and will be, wearing a happy face from the message of Jesus that she left.
