Wise men *still* seek Jesus

Dear Partners,

December 2015

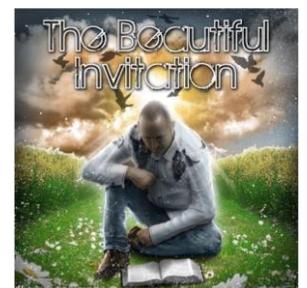

*As we head into December and celebrate Christmas, we want to take time to thank God for giving us all that He does. We would like to especially thank Jesus for giving us sponsors that believe in reaching people behind the walls. We have had a very busy year and Eddie has been on the road for most of 2015. We will be adding Nebraska, Florida, and California next year so please keep that in prayer. A special highlight of November was being able to provide a special meal for the kids at the Albuquerque youth facility. This is the same facility where we started this ministry 24 years ago. It is a great honor to be involved in ministering the gospel to these kids, and in all we believe that God has called us to do.*

*Nothing slows down our Georgia missionary, Larry Wood's, sense of humor. This was a selfie that he took in the back of the ambulance, on his way to the hospital. He had to have surgery to insert a screw plate to repair the femur bone and hip that he broke when he fell off the roof of his home, while trying to check on his leaky roof. He will be out of commission for a little while, but we're so proud of the team in Georgia that is handling the facilities for him as he is recovering. Please keep Larry and his family in your prayers as he recovers.*

*It is truly amazing what we get to do! We received a phone call from Pastor Tim, our missionary in Boise, Idaho about how he was allowed to go back into the very segregation unit that he was on many years ago, and there was a gentleman there, that apparently he had known. The guys on the unit gave him a hard time when they saw Tim. Tim, however, was able to witness to this gentleman, and when he was walking off the unit, people began to see Jesus in him, and in his testimony about how he used to be there. It was truly an amazing event for Tim, to be able to witness on that unit.*

*We are gearing up and getting things ready for the new CD! We are working again with Don Halliburton, who has always done such a great job. **The Beautiful Invitation** will be coming out at the end of January. There are 11 tracks on the CD and one of these tracks will be released throughout the United States and internationally. We have a *GoFundMe* page to help provide the support that we need to use a company called Air 9 Radio Promotions. They have worked with artists like Mercy Me,*

*Francesca Battistelli, and so many others. Right now we are about \$1,500 away from meeting the *GoFundMe* goal. If God lays it on your heart to give towards this, you can either go directly to the *GoFundMe* page at <https://www.gofundme.com/dq4fybcs> or you can donate on our*

web site. On our website please designate it for the song release. Please share the GoFundMe link on your FaceBook page or with your friends. Thank you for your support and prayers.

*The father of one of the members of our Board of Directors is not doing well. We continue to believe that God will heal him and that he is on the road to recovery. We give you all the glory and honor, Jesus, for what only you could do! Thank you all for all your prayers!*

*Sandi had surgery on her foot and she's recovering well. She's beginning to walk on her foot now, but for a while she had to use a little knee scooter that she called her *Harley!* Now it's time to do the other foot, so please continue to pray for her.*

*An excerpt from a note Sandi recently received:*

Sandi, Thank you - Thank you - Thank you for the copy of your new CD, "*Higher Worship.*" Since I am basically a shut in, you don't know what a blessing the CD was to me. Thank you and God continue to bless you all in your ministry. Love and prayers, Paulette Dyer.

We realize and recognize, that we could not do the things that we do without first Jesus, and then you, our sponsors, who are led by God to give towards this ministry. We are very thankful and honored to call you friends! This Christmas please take time, as we also will be doing, to reflect on all the things you are thankful for, and for the people that you have in your life. As we lift up you and your families in prayer, we pray Psalm 91 over you all, and pray that God's protection would be upon all of us because of the exciting times we are now living in. We are seeing the Bible come to life right in front of us, and it is exhilarating!
