

Dear Partners,

July 2015

What an incredible time of ministry and fellowship we had this past month. We started in Nevada then went into Idaho and Oregon. It was wonderful working side by side with our Senior Missionaries, Tim and Stacey Driskell, and all their missionaries that have been serving with them, to bring weekly Bible studies to the prisons in Idaho. They are doing such a great job. Please keep Tim and Stacey in your prayers. Tim decided last month to step out in faith and go into full time ministry with Conviction, because his commitment to God has already begun to open up new doors of ministry opportunities for them.

While in Idaho we did a talk radio program with KBXL 94.1 the VOICE. We did a program called "Finding Freedom Radio," with Boyd Chikatulah on June 20, 2015. You can listen to the program at: <http://www.941thevoice.com/audio-archives/finding-freedom/> . We give a huge thank you to Boyd, who was a wonderful host and made us feel so at ease and comfortable.

As this ministry grows and expands, our top priority remains the same: to raise up missionaries to go behind the walls and preach the gospel of Jesus Christ. Currently we have approximately 41 missionaries throughout the United States. Through your faithful support of this ministry, we know that the love of God truly resides in you, and because of your giving, together we are making the difference in the lives of so many people. Here is a letter written by a wonderful woman whom we had ministered to at Pocatello's Women Facility in Idaho. She is now living, working and serving in a church in Pocatello.

Hi blessed friends. I want you to know that what you do is the only thing that keeps prisoners with hope. I don't know if you can ever realize just how much of an impact it actually has. We are alone and then as Matthew and Luke say "When I was in prison you visited me." I was there I know. I became saved in 2006 because of your ministry and the fact you are from my hometown (Albuquerque, New Mexico) made it that much more of a God thing. I need you to know your ministry is working and that once a year visit is going to be the reason one or more change their life. I thank JESUS for Eddie and Sandi B daily. You along with Pastor Jim and Pastor Doc of Blazing Grace Church are the reason my life today is changed and blessed. You are great. Praise God.

Miracles are truly happening and people's lives are being changed. We know that we could never accomplish this by ourselves and that it takes people coming together as a team, and as a *family*, to fulfill the mission God has given us. We want to say thank you for allowing us to be part of *your family* and for *believing* in what we do. God bless you all!

An excerpt from a letter received from an inmate's wife:

Hi Eddie, my husband is in prison right now but is getting out in April. I just wanted to tell you that you really touched his life when you came to where he was one time. I am the owner of "Great Christian Music off of YOUTUBE." I was sick of the music that I was seeing on TV, and the computer is now my TV, so I put together this group of videos so that everyone could see the different kinds of Christian Music. I put up a few of your videos on the site with many others. Please keep my husband and me in your prayers. Thanks so much for what you do for the Cause.

We pray for you guys weekly and continue thanking the Lord for you all.

*In His service behind the walls,
Pastor Eddie & Sandi B*
