

CONVICTION

May 2015

Dear Partners,

Greetings from the front lines! We are now in Texas and there's been a great outpouring for the new CD ***"I've Forgiven Me."***

We released the title song of the same name, on May 11, 2015.

The strong message of the song is to see people truly set free, forgiven, and walking in the newness of Christ. We are expecting this song to go international and for the declaration made in this song to devastate the kingdom of hell. We want to thank all of our sponsors for giving, supporting, and believing in what we do!

*"And the sins I've committed – all washed away by the blood, and if He won't remember all my sin, why should I let them taunt me." –
From "I've Forgiven Me"*

We want to share with you the most exciting news that we have gotten in the history of our ministry. *We just received approval from city zoning to build the Discipleship Center!* This brings us such great joy because of the profound impact that this facility will have on the lives of those who will come here, on those that are sent out across the United States from this very place, and on the souls that will be saved for God's kingdom and glory! Please continue to pray for us as we begin to finalize the building plans and the permits.

We would like to say a special thank you to *Gideon Baptist Church* and to all those who helped us to pay off the new van. We have now made up the money that we needed and we thank Jesus for He is worthy of praise! *May God bless you far beyond what you could ever imagine and continue to move in your life, like you all faithfully bless us and help us to keep taking the gospel.*

A powerful testimony-

Mr. Eddie B, many years ago you came to a small town in Texas called Hempstead. I was there that night and you helped me open my eyes to change. In 2010 I fell off track and I started drinking, drugging, and stealing at 16. Later the next year I moved away from home and started becoming my worst enemy. After dodging two years in prison in 2012, I came across the CD you gave me. I turned on "Bling Bling" and listened for hours with the player on repeat. The change started to come again. My eyes opened up. I am now a father, with no drugs or gangs, no crack fiends blowing up my phone, I have a successful job, and I give all the credit to you for handing me a CD. You didn't ask for money, you just handed it to me. Thank you so much!

In early May, Eddie and Sandi met with some of the East Texas Missionaries. We did some prisons units together and then ended our special time by getting together for a fun afternoon of fellowship. **East Texas Team you are doing such an incredible work.** 😊
What a great team you are.

*In His service behind the walls,
 Pastor Eddie & Sandi B*
