April 2016

Dear Partners,

We consider it a great honor and privilege to write to all of you who sponsor *our* ministry. Please know that it is indeed *our* ministry, because we are *all* doing this together, and we believe that this ministry is doing a great work for the Kingdom of God.

On March 24th, Sandi notarized and recorded the plans for the Discipleship Center and we were able to get the permits on April 1st. We are praying that we will be able to lay the concrete down by the end of April. This is a huge monumental step in the establishment of the Discipleship Center. There are four financial phases that must be met for the building and, as of right now, we have completed the first and second phases.

Please continue to pray for favor, for the finances to come in, and for the things that we need to put this building together in order to facilitate the raising up of missionaries. Currently we have the finances to cover the metal building and the concrete. We still need the finances for the inside of the building, which will be a 5400 square-foot facility that will house 12 men.

We truly are grateful for people who believe in what we are doing! *Thank you so much* for your giving, your prayers, your time, and for supporting us with your resources!

On the front lines, we met two beautiful people, Kevin and Andrew, from JC Audio and Video. They did a video for us and we are hoping to have it out by the end of May. We will make sure this video is available on our website for all to see. They did a great job! Hopefully we will be able to use this video to raise the finances that we need for the inside of the building.

How God used the filming of the video to save a young man's life:

When we went out to shoot the video, a young man that had seen us in concert just two days prior, was about to commit suicide. We could have picked any place to film that video, but the Lord knew we needed to be there, at that specific location, to minister to that young man. He saw us as we walked out and came directly up to us. We began to talk and immediately, he let us know he was going to commit suicide. We were able to pray for him, and encourage him that we are not alone because God knows us and is always with us. That young man is still fighting the good fight, and we thank God that he placed us in his path that day to stop the enemy from destroying that young man's life.

*In His service behind the walls,
Pastor Eddie & Sandi B*
