March 2016

Dear Partners,

In the beginning of February all the missionaries came, and we focused in on what we want to do this coming year. The biggest dream we have for 2016 is to build the Discipleship Center. All of the site plans are done and we are almost through the process of zoning. This means that we will be able to start the construction soon. Eddie has been on the road for about 2 weeks now and people are coming together and donating both funds and supplies. We need serious prayer to get this building up and functioning. The campaign for this year for the Discipleship Center budget is \$11,000 and we believe that God will lay it upon people's hearts to help with this project. To those of you that are already sponsoring us, we want to say *thank you*.

Please continue to keep our Senior Missionary, Larry, in prayer. He is only able to travel for two hours at a time until doctors release him. He was greatly missed at our annual volunteer party. God bless you, Larry, Kelly, and your family.

Eddie has Bryan traveling with him. Bryan made the decision to help alleviate some of the workload that Eddie is under. Bryan has been such a blessing. Thanks Bryan, for your servanthood.

A powerful testimony recently shared with us: Eddie and Sandi were at church and a lady walked up to Eddie and said, "My son saw you at a concert years ago. When he came home, he began to tell us how God had really pressed on his heart to listen to your CD. We began listening to it and immediately the anointing of God fell upon us. We have been going to church ever since then. Thank you for being who God called you to be."

Eddie's new CD is being received with open arms. He has had so many people telling him that it is the only CD they are listening to.

We are sad to say that Eddie's mom went home on February 1st. We will truly miss her. She was very instrumental in developing this ministry. For about 10 years of this ministry she was Conviction's bookkeeper. She also was the person who bought this ministry its first recording studio. Her love and motherly devotion to both Eddie and this ministry will never be forgotten. We will miss you Mom, for just a little bit, then we will set at Jesus feet with you. Love you forever.

Here is an email we recently received:

Hello Eddie and Sandy,

Hey, thank you so much for the CD. It sounds great. Had goosebumps the first three songs. Received it after being put to the test at work--the boss wanted me to lie for him. DID NOT, and I told him specifically that I would not lie for him. Shadrack, Meshack, and Abednego came to mind, and then a determination in my heart that if it came down to losing my job, I will do the right thing, and not try to find an escape clause. Learning how to stand well under pressure, like a piece of coal. Time + Pressure + Coal = Diamond. Keep up the fine work and thank you, again. Galatians 4:18 KJV Sincerely, Danny B.

Now that we are in 2016, we are geared up, and back on the road to minister the gospel. We want to say *thank you* for believing in us and caring for those who are behind the walls.

*In His service behind the walls,
Pastor Eddie & Sandi B*
