

July 2016

Dear Partners,

We are so happy to share with you that in July we were able to minister in our first prison in Nevada! The Chaplain there was so excited about it, that she graciously got us into five more prisons in Nevada when we come back next year! We thank God for that open door of opportunity! In California, we ministered at Teen Challenge, Oasis Church, and Church of God of Prophecy. It was so good to see everybody! How encouraging and refreshing it was to see that these churches that we visited two years ago, are still reaching out to the people who are hurting!

Update on the Discipleship Center:

We would like to give you an update on the current expenditures for the Discipleship Center.

Fence	\$ 5,000
Down payment on the building	\$12,000
The architect	\$ 9,000
Permits	\$ 5,022
Total	\$31,022

We have had a five-year plan to start it and we were on target for the five years to start it, but for the past year we had been battling with zoning issues. We appreciate your patience, and *please continue to pray* that the zoning issues are resolved soon, so that we can break ground as soon as possible. We are so close at this point. We want to thank you so very much for your support of this building!

Please keep us in prayer as we have another gentleman that's going to be traveling with us. His name is, Garrett, and he is from South Carolina. We will begin training him after he arrives on July 18th. We look forward to working together with this young gentleman. We will now have both Bryan and Garrett.

Just a few days left in Idaho before returning home, our van had mechanical issues and we had to put it to the shop. We were not sure how we were going to complete the rest of the tour and we still had several churches and prisons to do throughout Idaho. Pastor Tony and his wife from Victory Family Church from Twin Falls let us use their personal truck and trailer. *Thank you, thank you*, Pastor Tony and Taemurni! You made the difference in so many people's lives, but most of all, your constant love and friendship is our deepest reward.

We never know who God might touch when we serve Him:

We received an awesome testimony about a young girl whose mother had purchased one of our CDs. The young lady was listening to our music and at the end of the CD we always include an altar call. She listened to the altar call, got saved, and started going to church. The Pastor contacted us to let us know that she had given her life to Christ. *Even if it's just one, it is so very worth it!*

Eddie's schedule is almost complete. He and the guys will head back out August 4th from Albuquerque. This is the last 3 months of the tour for the year. They are heading first to South Caroline, then Georgia, Florida, Louisiana, and will finish up in Texas. Please check the website to see Eddie's upcoming schedule.

What a great blessing you are. Thank you for your support and prayers. Without your faithfulness it would be difficult to do the ministry God has called us to.

In His service behind the walls,

Pastor Eddie & Sandi B
