Dear Partners,

What a journey it has been we been in South Carolina, Georgia, Florida, Louisiana, and now Texas! We have seen literally thousands of people being truly touched and blessed by the message ***"The sons of Anakim."*** The theme of this message is, ***do not fear, do not be intimidated, and do not doubt!***

We have a couple of wonderful testimonies that we'd like to share with you.

Twelve years ago, there was a gentleman in a lockdown unit. A lockdown unit is where an inmate is locked down in a small cell for 23 hours a day. This young man had finally reached the place in his life that he wanted to commit suicide. That day Eddie was a guest speaker on a radio program in Texas. This young man was shocked when Eddie started to speak into his life. Eddie said, *"there is a man who is about to commit suicide, and God has a purpose for your life, so don't do it."* This gentleman gave his life to Christ that day. However it took another nine years before he got released from prison. Once he was out of prison, he and Eddie would not meet for another 3 years. This past month he was able to meet the voice from the radio that was used to help save his life. Eddie was unloading the van to do a church service when this gentleman walked up to him and said, "I've been waiting 12 years to see you and to tell you something." Eddie asked him what it was. Then he told Eddie, "12 years ago I gave my life to Christ in a lockdown unit, I have wanted for 12 years to meet you face-to-face and tell you "thank you."

Another amazing move of God that we had was while we were ministering in a unit in Texas this past month. After the service, a man came up and told Eddie and Sandi, that when Sandi started to sing her first song, his legs started tingling and by the second song, he was standing up, even though he has been wheelchair bound for the past year with an aggressive MS. He then said that when Eddie started singing, he started to walk up and down the aisle. He shared that he has been practicing the Muslim religion. At that point, we let him know that it was JESUS that came by that day and touched him.

These are a couple of real stories and testimonies that sometimes we never get the chance to share with you. We pray that they have been a joy to read and that you can get a glimpse of how your prayers and financial contributions are making the difference in others' lives.

Many of you have asked Eddie about how Bryan is holding up on tour. Thanks for asking. Bryan has so far handled the grueling schedule well. We thank God for Bryan's servanthood and his hard work ethic. We are currently looking for another male person to travel with Eddie and Bryan. If you are interested please contact Eddie B. at (505) 463-5080.

Another update on the Discipleship Center: We just got our permits and we are now ready to officially start building. Please continue to pray as we are trying to decide who will take over the contract to help build the Discipleship Center. Our Board member, Pablo Perea, will be overseeing the building of the Center and we are so grateful for his talents and gifts!

Missionary update: Larry will be adding on 8 new missionaries to his team in Georgia. Welcome to Conviction: Kyle Evans, Kristin Evans, JD MacDonald, Pamela MacDonald, Ray Flakes, Kim Flakes, John McDaniel, and Kym McDaniel.

Thank you for believing in Conviction for Christ Ministries, and sponsoring the things that we do to reach the people that God has called us to reach. Inside some of those dark cells is a man or a woman waiting to hear the gospel.
