

“...Look. I tell you, lift up your eyes, and see that the fields are white for harvest.”
John 4:35 ESV

Dear Partners,

October 2016

We can't say **thank you** enough for all the partners in this Ministry! It's overwhelming! Lives are literally being *changed and transformed*! They say it “takes a village to raise a child,” and in comparison, it's going to take the *body of Christ* to help us build what the Lord has called us to do.

It's finally here! We broke ground for the Discipleship Center on September 23rd!

It has been a long six years, and 17 months of those six years were spent going through the zoning process. We are hoping to have the building up by January 1, 2017. We want to say **thank you** to all of you who have contributed over the years. Words cannot begin to express the appreciation and gratitude that we have for everyone that is helping us put this together! **Thank you!**

We are still in need of finances to help build the inside. If the Lord presses on your heart to help us to leave *a legacy training center* where men will become missionaries, there are several ways you can contribute to it.

A praise report we recently received:
 Hey Eddie B, I was in JCC St. Anthony when you visited there this year, and I just wanted to say thank you for inspiring me. I was able to get out of there on good behavior early because I decided to let Christ in after you visited, and I gained a really cool opportunity that I should not have gotten. I really appreciate you visiting us there. You really do change lives with what you do. God bless you Eddie & again thank you for changing my life!!!

*Sponsors, thank you for helping us work towards seeing this vision fulfilled.
 In His service behind the walls,
 Pastors Eddie & Sandi B*
