May 2017

Dear Partners,

We are so blessed to give you updates from the road! There are so many testimonies that we can give you about the lives that have been changed, transformed and saved.

Bryan and Garrett are doing exceptionally well. These young men have sacrificed so much to Tour with Eddie. Bryan has now been with us a year and three months and is growing so much. Garrett has been with us now for 10 months. It's been really refreshing to have answered prayer for help.

With the expansion of the Discipleship Center and the growth of Conviction for Christ Ministries, we have been in need of someone to help Sandi with work on the home front. Her new assistant's name is, Leticia. *Thank you Leticia*, for laying your life down by leaving Texas and moving to New Mexico in order to help facilitate between the two ministries.

It was such a special moment when 188 men in Rosharon, Texas began singing some written. Once Eddie saw all the men singing he stopped singing and just listened. What a memorable moment it was. During a Mike Barber event inside the Stringfellow Unit, the Stringfellow Praise and Worship Band played, "I Am Nothing." The event was posted on our website EddieB.net. Click on the button called "Stringfellow Unit." Then click on the video and go to 5 minutes and 35 seconds.

## *Testimony from the road:*

It was a very powerful and moving night when we ministered at Warriors for Christ. There was a gentleman that came up to us at the table and said, "Do you remember this man?" **I** We did remember seeing him. When he had previously come to one of our concerts he had then had a 35 year addiction to alcohol and drugs. We had prayed with him, and he had been saved and delivered. We were so blessed to know that he's been going to church ever since. *God is so good and so gracious to us!*

**Still Needed for the Discipleship Center:**

**Master or journeyman plumbers or electricians**

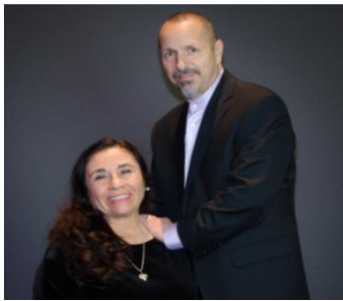

Update on the Discipleship Center (CTC): All the framing is done now and we are moving on to plumbing, electrical, heating and the air conditioning. **We are in need of anyone who is ether a master, or journeyman plumber or electrician.** Please, please, please, prayerfully consider doing a mission trip to Albuquerque to help us get this work done. We have a main contractor, who only needs some helping hands that have experience. Call Eddie at (505)463-5080

- Supplies Needed**
