October 2017

Dear Partners,

A lot has taken place since the last newsletter. Eddie and Bryan will be heading back home to Albuquerque at the end of the month. This last part of the tour has been presented with a few challenges because of hurricane Harvey. It has, however, been amazing to hear the stories and meet the people who have lost everything, but still have the joy of the Lord. We have been asked to come to some of the churches where they've lost everything. Some neighboring churches have graciously allowed them to conduct church in their buildings. Many of the people and pastors told us that we were just such a breath of fresh air. We thank God that He's using us to bring people joy in the midst of all they're going through. We thank God that He has allowed us to deliver His encouraging message to His children through the music and the Word. Eddie has been preaching **"PURPOSE = People, Underneath, Righteousness, Pursuing, Opportunities, Serving, Everyone."** God sent this sermon at the perfect time, when the body of Christ needed to rise up and share the gospel by serving others. What amazing brothers and sisters in the faith we have! Please continue to pray with us for everyone who has been affected by the hurricanes. We know according to Philippians 4:19, that God will supply all their needs according to His riches in glory. May God bless all of you who have, and continue to, make major sacrifices to see these people get back on your feet.

Our Senior Missionary, Larry Woods, (red shirt on the right), was the guest speaker for 20 men from a faith based unit that had received a certificate and a Bible for a character class. Congratulation guys!

*"For God giveth to a man that is good in his sight wisdom, and knowledge, and joy."*

*Ecclesiastes 2:26*

*Here is a testimony that we received. "I was first introduced to Conviction for Christ Ministries in a small New Mexico jail. I had no idea that they would remain such a blessing in my life these 16 years. They have been a prayer covering, example, and encouragement, throughout my release and subsequent moves. I am thrilled to know that their Discipleship Center is about to house and train up the next generation of prison missionaries so desperately needed. To God be the glory! Continued blessing and favor, in Jesus mighty name, to complete the task of training up the Lord's army." Lisa*

## The Discipleship Center (CTC) Update:

We have made some real progress on the Discipleship Center. The gas, electrical, framing, heating, and air conditioning, are now all completed, and we are now moving to the next phase, which will be installing the insulation and sheet rock. We were saved the expense of flooring because a flooring company generously donated that to us. A plumbing company out of Texas has also generously offered to come down and donate their time for that phase of the project. The painting, fixtures, as well as the outside of the building, however, still need to be completed.

Please keep us in prayer because we will need some financial support to finish this part of the project. We want to especially thank God for all the wonderful people that have poured time, resources, hard labor, and efforts into this facility. Thank you for enabling us to build the Conviction Training Center for such an unbelievably low expense. We know that God’s promise to you is found in Hebrews 6:10 *NASB: “For God is not unjust so as to forget your work and the love which you have shown toward His name, in having ministered and in still ministering to the saints.”*

We appreciate everyone who has kindly committed to helping us ***build men for successful living, developing disciples, launching leaders and affecting nations for years to come.***

Thank you for coming along side of us to change the world.

*Love, Pastors Eddie & Sandi B*
