September 2017

Dear Partners,

What a powerful time of ministry we had throughout the month of August in Georgia and South Carolina. Together we reached 2,137, we saw 97 people who asked Jesus into their life for the first time, and we witnessed 422 people rededicate their life to following Christ Jesus.

Eddie and Bryan are now in Texas. Please be praying that we will be able to do all the prisons and churches that we are scheduled to do in Houston and the surrounding areas; also pray for several of our missionaries and Board of Directors who are dealing with the effects from hurricane Harvey.

Mr. Garrett Craine, after being with us for 13 months, was called out of the ministry and will be heading to Pocatello, Idaho. Please keep Garrett in prayer, as he begins to write a new page in his life. He was extremely helpful and resourceful and will be missed dearly, but we only want the will of God for his life.

Please tell us in 100 words or less how you have been touched by Conviction for Christ Ministries. This is a great opportunity to share with us your great testimony of what Christ is doing in your life. Please prayerfully consider doing this, your testimony may change someone's life who cannot believe that God can change their situation or make a message out of their mess. Send your letter by email or mail by using the information at the bottom of the back page.

What an incredible work Larry and his team are doing. On August 25<sup>th</sup> Larry Woods baptized 17 men at Washington State Prison.

## The Discipleship Center (CTC) Update:

God has blessed us with so many needed supplies for the Discipleship Center! One company donated the flooring that we needed, and an electrical company donated the electrical supplies! What a blessing!

We are progressing steadily forward toward completion of the Center. All the framing is completed and almost all the electrical; our next step will be installing the insulation and sheet rock. Please join with us in prayer as we seek the Lord's help with this part of the building.

We are so close to completing the facility that we have decided that we will be funneling most of our resources toward the opening of the Center on January 1<sup>st</sup>, 2018. Would you please consider giving a little extra to see this vision come to pass? It is going to be quite expensive to complete the sheet rock, so any financial help will be much appreciated.

We appreciate everyone who has kindly committed to helping us ***building men for successful living, developing disciples, launching leaders and affect nations for years to come.*** Thank you for coming along side of us to change the world.

Eddie and Sandi would like to say ***thank you so much*** for believing in what we do, and for all your support and your prayers! We will keep you guys in prayer daily until next month. May God truly bless you! *Pastors Eddie & Sandi B*
